

Troy Rowland - HAPPY ENDINGS

INT. RESTAURANT - EVENING

ALISON sits down across from GREG.

ALISON
Okay. Full disclosure.

GREG
This is a first date. We're already
at full disclosure?

ALISON
I have to be. I don't have time to
waste. Look, you're date #2.

GREG
Of the day?

ALISON
Of the hour. Listen, I'm a girl who
likes to be in a relationship. I
can't be running around being with
a guy who's not on the same page.

GREG
Wait- I'm confused- you were just
on a date with somebody else, like,
an hour ago?

ALISON
Greg. Honey. There are many fish in
the sea and I got a wide open net,
okay? I don't have time to check
the wind or hoist the sails before
I leave the coast.

GREG
This analogy is really going
places.

ALISON
Now you're getting it! Here's me in
a nutshell: I can cook, I can
dance, and I will do the Cupid
Shuffle with your grandmama all
night long if she wants me to. I've
got great credit and your family
will love me.

GREG
I'm impressed. You really do have
it together.

ALISON
I absolutely do. (beat) Date #3
starts in about 20 minutes, so
you've got about 5 to impress me.
